Dear Friend:

Governor Livingston High School Highlander Marching Band enjoys a long tradition of musical excellence and community involvement. The Band Parent Organization helps pay for instruction, transportation costs, uniform and instrument maintenance, college scholarships and more. 100% of the proceeds go to support the Highlander Band.

**One of our biggest fundraisers, the annual Highlander Marching Band Basket Raffle, is on April 28, 2018.** Could you support our hard-working students with a product donation or gift card? Your business will be promoted at the raffle and in our catalog. Publicity includes local media, Facebook and more. Several hundred people are expected to attend the event.

The Highlander Band supports our community through performances at civic and school events and parades. The Band also participates in a number of local and regional competitions during the season, culminating in the Atlantic Coast Championship Competition in Hershey, PA. The Band has won the Championship 13 times, most recently in 2012. This is especially remarkable given that the Band accepts all students who wish to join the Band, regardless of musical ability or experience. There are no auditions. Everyone is welcome. Music education is paramount to the Highlander tradition.

Band Parents Organization Inc. is a non-profit, 501(c)(3) tax-exempt organization. The tax ID number is 22-2528163.
